

NITHIN K

Python Developer | Machine Learning (PyTorch) | Data Analysis | Technical Writing

Self-taught Python developer with hands-on experience in machine learning and deep learning using PyTorch. Built and experimented with neural networks, including 3D convolutional models, custom loss functions, and data pipelines. Strong analytical thinking with a background in content writing and business operations.

☎ +91 7093590109 • ✉ nithinkt09@gmail.com • 🌐 [github/nithinkt09](https://github.com/nithinkt09)

● Projects

- Representation Learning in 3D CNNs (GitHub)
- Built and experimented with 3D convolutional neural networks using PyTorch
- Implemented custom Weighted Dice Loss for imbalanced segmentation tasks
- Explored normalization and activation strategies for stable training
- Worked with sparse volumetric data and encoder–decoder architectures
- Used NumPy and Python for data processing and experimentation

● Technical Skills

Languages & Tools: Python, NumPy, Pandas, PyTorch, SQL (basic), Java (basic)

Concepts: Machine Learning, Deep Learning (CNNs), Data Analysis, Linear Algebra (basic), Probability (basic)

● Work Experience

◆ Freelance Research & Technical Writing (Independent / Ghostwriting) 2015 – 2025

- Conducted independent research and produced structured long-form content on technical and academic topics.
- Worked from minimal input, using reference materials to develop drafts with clear organization and logical flow.
- Built strong skills in analyzing complex material and communicating it effectively.

◆ Business Developer | Maruthi Stonemart (March 2022 – Aug 2023)

- Managed client communication for domestic and international markets
- Coordinated tasks across teams and monitored execution
- Worked on documentation, process organization, and campaign planning

◆ Creative Content Writer | Xpedient Digital Pvt. Ltd. (Jan 2020 – June 2020)

- Created and edited digital content for social media and blogs
- Worked on SEO optimization and campaign messaging

◆ Content Writer | Crosspay BPO Services Pvt. Ltd. (Dec 2017 – Sept 2018)

- Produced written content and assisted in content strategy
- Content Writer & Business Developer

◆ Content Writer & Business Developer | Telekha Networking Technologies (Nov 2016 – Dec 2017)

- Combined content creation with client communication and market research
- Assisted in presentations and business proposals

◆ Customer Support Executive (North America) | Amazon (February 2016 – July 2016)

- Provided chat and email support for international customers

● Education Sri Chaitanya Junior College (2010 – 2012)
