✉ nitinkumar19012001@gmail.com

☎ 9014640626

📍 Hyderabad

EDUCATION

Bachelor's degree in Electronics and communication Engineering

Anurag group of institutions

2018 - 2022

WORK EXPERIENCE

Full Stack Web Developer

ThinkWide-PGO

02/2023 - Present

Hyderabad

As a specialized SaaS platform catering to hostel and PG bookings, we also offer a dedicated host app tailored for hostel owners. This application equips hostel owners with an array of tools to streamline their operational tasks, encompassing services such as tenant dues, payments, notice periods etc.

Achievements/Tasks

- 2+ years Experience in developing using Ruby on Rails framework convention with mySql Database
- I've managed the entire product life cycle for web projects like PGO, PGO Host, and Stazy, as well as their corresponding apps, bringing innovative ideas to drive business growth and enhance my skills.
- Integrated various payment gateways, including Razorpay and PayU Money, and resolved bugs encountered during different payment testing scenarios.
- Worked closely with back-end developers and stakeholders for a better business logic and database architecture
- Extensive experience in crafting clean, maintainable code, adhering to the DRY principle

Personal Projects(hosted on AWS)

Vision smile foundation

06/2022 - 02/2023

Hyderabad
