Business-focused content and communications professional with 4+ years of experience developing structured messaging and communication materials for global audiences. Skilled at translating complex business and regulatory topics into clear, engaging content for diverse stakeholders. Experienced in collaborating with cross-functional teams to develop communication assets including internal updates, knowledge-sharing content, and campaign messaging.

PROFESSIONAL EXPERIENCE

Technical Content Writer (Project-Basis) | Loginsoft

November 2025 - March 2026

- Developed and published technical blogs, web content, and documentation related to cybersecurity, digital engineering, and enterprise technology solutions.
- Worked closely with subject matter experts (SMEs) and engineering teams to convert complex technical information into clear, structured content.
- Performed industry and competitor research to create informative, accurate, and insight-driven technical content.
- Ensured SEO optimization, content consistency, and CMS publishing while aligning content with marketing and product communication strategies.

Content Marketing Specialist | PharmaForce

November 2024 - November 2025

- Simplified complex regulatory topics (HRSA rebate models, IRA updates) into structured communications for internal stakeholders and external audiences.
- Collaborated with subject matter experts and cross-functional teams to ensure communication accuracy and clarity.
- Supported change communication initiatives related to regulatory updates and product enhancements.
- Developed case studies, webinar communications, website content, and sales-enablement materials.
- Contributed to content performance tracking using engagement and SEO analytics to refine messaging impact.

Copywriter & Social Media Strategist | Orange Online Pvt Ltd - Freelancer

July 2023 - November 2024

- Drafted multi-channel communications including email campaigns, newsletters, presentations, intranet-style content, and long-form business articles.
- Managed 8–10 concurrent content projects while maintaining consistent on-time delivery and quality benchmarks.
- Collaborated with designers and campaign leads to execute structured messaging plans aligned with brand and business objectives.
- Managed multiple concurrent content projects while maintaining quality, timeline adherence, and consistency.

Virtual Assistant – CSA (Contract) | Amazon

July 2022 - December 2022

- Developed and reviewed internal operational documentation for clarity, accessibility, and consistency.
- Worked with subject matter experts to convert complex operational procedures into plain-language internal resources.
- Ensured documentation accuracy and usability for cross-functional internal teams.

Content Writer | Nimboo Soda Pvt Ltd (Internship)

December 2020 - April 2022

- Published structured articles and press releases under tight deadlines.
- Supported campaign planning efforts, coordinated with marketing/design teams for cohesive content execution.
- Contributed to editorial calendars and multi-platform content distribution.
- Adapted content messaging for diverse audiences across teams and regions.
