EMPLOYMENT EXPERIENCE

THOMSON REUTERS INTERNATIONAL SERVICES PRIVATE LIMITED
Publishing Specialist – Editorial Operations (Legal)

March 2013 - December 2016
Hyderabad, India

- Over three years of experience in the Content Management and Publishing field (dealing with US Legal system)
- Involved in coding legal content using XML/HTML language acquired from teams in Rochester, Eagan and Washington
- Involved in the reviewing and editing of publication copy in conformity with accepted rules of grammar, technical writing style guides, market style, format, coherence, accuracy and probity of content
- Identifying documentation deliverables based on requirements from groups/teams
- Carefully scrutinizing the documents for any loops (as directed by clients) and updating the changes
- Maintaining internal technical reference documentation for reference including configuration guides, process guides and system requirements
- Responsible for updating stakeholders about possible delays and chalking out mitigation plans to avoid unforeseen delays
- Delivering the final product to the manufacturing team in Eagan for print and involved in publishing the content online on Westlaw
- Contributor to BPM newsletter QMS project by providing data points for team efficiency, quality metrics and tools
- Worked extensively with software like Phoenix, WinCite, SAP and MS Word 2007
- Contributor to training needs of the team by mentoring new hires and providing feedback
- Received training on LEAN six sigma methodology while working on a quality management project and was an active contributor to a greenbelt project to reduce timelines by 40%
- Responsible for transitioning multiple high-revenue products from Rochester to the Hyderabad team
- Was among the top 5% of the employees based on annual performance for two consecutive years
- Ramped up production to over 300% in a single month when the team was hit with attrition
- Received “Star of the Quarter” award in the rewards and recognition ceremony for Q3 2015
- Received “Extra Miler” award in the rewards and recognition ceremony for Q1 2015 and Q1 2016
