CAREER SUMMARY AND OBJECTIVE

I am an analytical thinker, creative problem solver, and quick learner with 20 years of versatile writing experience. I look forward to the role of Principal Technical Writer. My expertise is in:

- Technical Writing and Editing
- Content Writing
- Training
- Content Strategy
- Team Management
- Delivery Management

CAREER HISTORY AND SALIENT ACHIEVEMENTS

Anritsu India from August 2019 as Principal Technical Writer. I also worked as employee or consultant for organizations such as Oracle, IBM, Mphasis, Huawei, Merrill Lynch, and EDS.

- Wrote style guides and other job aids for writers, IDs, editors, PMO, and developers. Trained IDs, writers, interns, and developers on grammar, writing, and client-specific guidelines. These official and personal quality initiatives led to increased productivity, team morale, and client satisfaction and reduced error rate.
- Implemented content strategy in choice of tools and processes for technical content leading to streamlined operations for my clients.
- Built brands in partner sites, liaised as internal CRM, hosted newsletters and events, and participated in road shows. These activities led to improved processes, team bonding, and communication and enhanced operations.
