Work Experience:**1. Manager – Digital Marketing & Communications**

February 2017 – August 2018

Lera Technologies Pvt. Ltd.

Lera Technologies is a leading IT software solutions & services organization catering to Data Warehousing, Business Intelligence, Data Analytics, Technology consulting and Staffing for customers across the globe. Managed a team of 2 professionals - Senior Content writer & digital visualizer reporting to the Managing Director. Skillfully managed activities across the digital marketing sphere whilst maintaining the key essence of the organization. As a manager, I was responsible for handling various activities including and not limited to:

1. Brand Management & Awareness - Existing & New Launches
2. Streamlining Content Pipeline - Email, Social Media & Domain specific content
3. Internal Communications & Operations support
4. Sales enablement - Lead generation, Proposal Building & Collaterals
5. Digital Marketing Consulting - for partners & clients

Brand Awareness and Baseline presence

- Creating a buzz around the products and services on various platforms
- Drafting go-to market strategies for new products/corporate launches including but not limited to logo design, website roll outs, printed collaterals, website management
- Offering digital marketing consulting services to clients looking to build their presence online

- Collaborating with media agencies and external graphic/visualization teams for additional exposure

Strategizing communications – Internal & external

- Creating detailed plan and schedule for internal (HR & Operations) and external communications to meet strategic goals
- Exploring new trends within domain for thought leadership content creation like Informative Emailers, Blogs, Articles, Flyers, Case Studies etc.
- Streamlining visual and text content across platforms to maintain consistent information across channels
- Brainstorming with design teams to bring in creative ideas for enhanced marketing outreach
- Building interest amongst current database with targeted campaigns to generate high ROI
- Achieving a consistent Open rate of 15%+ and Click Rate of 2%+ from End-to-End Lead Generation Campaigns

Hands on experience in tools: Mailchimp, Hootsuite, Instapage, Fiverr, Social Media (Twitter/LinkedIn/Facebook/G+ and more) Skype, Microsoft Office

2. Senior Executive - Marketing & Communications

June 2016 – January 2017

DSmart Systems Pvt. Ltd.

As a senior executive at DSmart, I handled the entire marketing & communications activities for the company. Working with a senior technical writer, media agency, senior visualizer (external) and reporting to the Director, Software Engg. and CEO. With a flexible and positive outlook, I have created the baseline presence for the organization on major media platforms.

The activities I perform can be categorized as follows:

1. Strategizing content pipeline for communications – Emails & Social Media
2. Sales Enablement
3. Baseline & Branding Awareness
4. HR Marketing & Operations Support

Communications Strategy & Content Streamlining

- Building strategy for marketing & communications, defining metrics to align corporate goals with the communications
- Strategizing, streamlining content pipeline & executing ideas to generate leads and interest within current database. Planning targeted campaigns to boost activity
- Collaborating with internal Sales team to monitor performance, measure ROI of campaigns and tweak campaigns to improve statistics

- Working with senior technical writer to mine new topics of interest and creating thought leadership content in the form of Emails, Blogs & Articles
- Providing ideas for visual creatives & campaigns for instant impact
- Monitoring website analytics with the Web Team for better SEM opportunities
- Posting thought leadership content via multiple social media channels & third party websites to boost market presence and create baseline awareness. Major channels include LinkedIn, Twitter, Facebook, G+, Slideshare, Reddit and tumblr.

Enhancing Productivity

- Collaborating with external automation vendors to tweak internal processes & enhance productivity within Sales & Marketing
- Managing vendors, negotiating projects as per requirement
- Supporting HR & operations team to – implement policies, strategize internal communications and enhance branding within and outside the organization

Hands on experience in tools: Hubspot Marketing Automation, Hootsuite, Social Media (Twitter/LinkedIn/Facebook/G+ and more) Skype, Microsoft Office

3. Senior Executive - Marketing & Communications

April 2014 - April 2016

Zycus Infotech Pvt. Ltd.

As a senior executive at Zycus, I contributed to various tasks in the sphere of Marketing Communications for a dedicated international region across USA, Europe, Middle East Asia & South East Asia. Worked as a team with 3 junior colleagues reporting into the Lead Manager of Marketing for Emerging Markets & managed 1 executive indirectly. With an eye on detail, my new role allowed me to explore the field of digital marketing, lead various inbound marketing, social & web initiatives for an international audience making the best of all available resources.

The activities performed during this role are summarized as follows:

1. Sales Qualified Lead Generation
2. Ground Event Planning & Execution
3. Strategizing promotional activities in the lines of content marketing, conducting thought leadership webinars, email marketing
4. Sales Enablement
5. Expanding target audience reach by Vendor Management and improved processes

Lead Generation & Nurturing

- Strategizing & executing periodic emailer campaigns to generate interest and create brand awareness among new database; promote Zycus' solutions. Planning dedicated campaigns to boost activity

- Nurture existing database, renew solution interest amongst database to deliver sales qualified leads
- Collaborating with internal CRM team to monitor performance, measure ROI of campaigns and tweak campaigns to improve statistics. Planning & executing periodic database maintenance activities to improve quality of data.
- Achieving a consistent Open rate of 20%+ and Click Rate of 3%+ from End-to-End Lead Generation Campaigns

Ground Events

- Managing Zycus' flagship roundtable events (CPO Connect & ZEST) & regional procurement/supply conferences for selected target audience from scratch to successful execution

Strategic Marketing & Content Streamlining

- Researching & writing on new regional trends and buzzing topics (Procurement, Purchasing, Sourcing & Supply Chain) to align & create content collaterals like whitepapers, web seminars (webinars), research reports, blogs, monthly e-newsletters, ebooks for thought leadership and marketing communication initiatives. Scheduling webinars as per regional trends
- Planning holiday campaigns to boost activity regionally
- Providing ideas for visual creatives for spot-on impact to prospects
- Collaborating with expert content writers, translators (globalization) for consistent outcome
- Channeling & Scheduling thought leadership content via social media pay per click campaigns (LinkedIn/Twitter & Procurious) with the SEO Team as per regional trends

Competitive Analysis

- Creating/Editing competitive analysis documents to gain insights into competitor landscape
- Tracking progress & customer base to gauge market hold and share corrective actions

Expanding market reach

- Collaborating with external vendors, database interns and CRM Execs to improve & revive existing prospect database coverage targeting 5% growth of database
- Managing vendors, negotiating projects as per requirement

Hands on experience in tools: Eloqua Marketing Automation, WebEx Event Center, Sharepoint.com, Hootsuite, Social Media (Twitter/LinkedIn/Facebook) Salesforce.com, Zoominfo.com, Hoovers.com, Microsoft Office

4. CRM Executive

September 2011 - March 2014

Zycus Infotech Pvt. Ltd.

As a CRM Executive, I managed the complete customer database for Emerging Markets. My role involved ample of analysis and drill-down research which honed my analytical skills to the best of my ability. Worked as a team with 2 colleagues reporting into the Asst. Manager of Marketing for Emerging Markets from 2011 - 2012. Apart from the analysis & research, I had an opportunity to train 3 new recruits and manage 1 of them indirectly. Another add on to my role was executing emailer campaigns on the Emerging Markets Database which allowed me to learn more about the vast field of Marketing. Worked as a senior in the team with 6 colleagues reporting into the Marketing Manager for Emerging Markets from 2012 - 2014.

The activities performed during this role are summarized as follows:

1. Database Maintenance
2. Addition & Expansion of Global Database
3. Reporting & MIS
4. Training new recruits
5. Email Marketing

Hands on experience in tools: Eloqua Marketing Automation, Salesforce.com, Zoominfo.com, Hoovers.com, Insideview.com, Microsoft Office

5. Freelance writer / Blogger/ Social Media Influencer

January 2013 - Present

Online Publications / Personal Blog - [Meow Connect](#) / Twitter - [@not_a_sher](#)

As a personal blogger, I curate and create content for my lifestyle & fiction blog Meow Connect. As a freelancer, I write free/paid/sponsored articles for blogs, online publications, ezines and review websites. The categories include lifestyle, fashion, technology, books, entertainment, personal views, and reviews.
