SUMMARY

I am an experienced professional educated in literature and communication seeking a full-time position in writing/editing where I can apply my knowledge and skills to bring out crisp and impactful content.

EXPERIENCE

❖ The New Indian Express, Hyderabad - *Reporter (Intern)*

25th May 2021 - Currently working (1 month Internship)

- I work in the City Express section which covers lifestyle, culture, and trends. I research, bring out story ideas, conduct interviews over phone or online, and write a creative and engaging copy.

Published Articles:

29th May, 2021 - Lead article of the section - [To Hyderabad, With Love](#)

29th May, 2021 - [Meme-ing is for men, NFTs are for legends](#)

❖ Incnut Digital, Hyderabad — *Content optimizer*

January 2019 – July 2019

- I optimized the content (English) of Stylecraze and implemented various SEO strategies using Yoast SEO to increase user engagement with the articles published every month.
- I started with working on 5 articles per day and worked my way to 12 articles per day over a period of 6 months. During my stint at Incnut, I consistently met deadlines and communicated effectively with both the content manager and SEO manager to improve the online user experience.
- I copy-edited the Telugu content of the website.

❖ Digital Nirvana, Hyderabad —

Media Analyst

July 2017 – July 2018

- I monitored regional and international news (newspapers, websites, and T.V.) and wrote detailed reports for companies like Wells Fargo.
- I was promoted twice in the span of a year.
