- Evaluates the progress of innovation and adjust the pace or direction of new projects in accordance.
- Keeps all new projects in line with the company's mission and maintains consistency with the company's message and brand

Steele Roberts Publishers, Wellington, New Zealand
JULY2010-MARCH 2011
Senior Accountant

Regular accounting practices are done under MYOB software, which covers my company-wide operations, incorporating client management, document and workflow management and tax. My main tasks include day-to-day invoicing, accounts receivables and payables, credit control, Payroll, as well as, end of the month and annual reporting, inventory, assets purchasing and disposal, as well as all other related accounting/bookkeeping functions. Handled all activities in accounts payable and receivable by receiving payments from vendor invoices on time and sent purchase orders and credit memos.

OTHER EXPERIENCES

COMMUNITY HEALTH CARE, LTD
2013-14

My daily reporting is accountable to the managing director of the company. My key role in the job is to provide advice and assistance to local community organizations. Prepare annual tax returns for Community Healthcare and where required clients. I also prepare invoices, monthly reports i.e. GST, PAYE, bank reconciliation, annual reports, tax reports and financial accounts. Develop long-range profit forecasts, budgeting and financial reporting for clients.
