

RESUME

Name: K.SHANTHI SRI

Email ID: shanthisr6@gmail.com

Mobile : 91 9652847350

Objective:

To associate myself with a progressive and professional organization that provides a challenging and rewarding career ensuring a high level of job satisfaction and to be part of organizational growth

Summary:

Efficient in working with AI tools for content design such as chatGPT,Scribework,Hyperwrite etc along with video creating tools such as canva and vyond.

- ❖ Highly skilled in Articulate Storyline , Microsoft Office (Word, PPT, Excel),Evolve and Thought industry along with creating XAPI and SCORM gamified files using HTML code.
- ❖ Profound knowledge of instructional design and ability to teach and prepare content for all the subject for all sorts of students.
- ❖ Excellent communication and written skills as well as ability to explain the text.
- ❖ Highly skilled in using the deferent course books and material for teaching and preparing materials.
- ❖ Ability to plan, collect material and deliver the lessons in the class.
- ❖ Capacity to arrange the content and infographics and assess the performance of team.
- ❖ Ability to inspire the students for desired effects in the language teaching task.
- ❖ Profound Experience in LMS management.

Work Experience:

❖ **Working as Senior Instructional Designer at Blenheim Chalcot from January 2023**

- Instructional Design for adults and storyboard.
- Develop and design courses.
- Edit and develop online learning materials.
- Create learning experiences and environments.
- Design learning activities, assignments, and assessments.
- Create computer-based training (CBT) modules and storyboards.
- Develop instructors manuals, rubrics, and other teaching tools.
- Collaborate with subject experts to develop course content.

- Manage online learning communities.
- Analyze, update, and refine existing online content.
- Train instructors, students, and employees in how to use learning technologies.
- Facilitate discussion and collaboration via social media.
- Keep current on best practices in instructional design.
- Write scripts for video and audio content.
- Work with technical staff to troubleshoot problems reported by users.

❖ **Worked as Assistant Manager instructional designer at Novac Technology Solutions from November 2022 to January 2023**

- Developed Application Training specific to instructional content for web-based training materials.
- Participated in the need assessment, design, and development of product and role-specific curriculum road maps and high-level designs.
- Functioned on curriculum teams and independently in the design, development, and testing of instructional materials.
- Reviewed and test new and revised curriculum offerings from other team members, providing feedback and suggestions for improvement; contributes to a new curriculum or program ideas.
- Developed course descriptions and related course-specific marketing documents and tools
- Contributed to storyboarding, authoring, and development of e-learning content and blended learning solutions.
- Developed bespoke e-Learning solutions for a variety of subjects and industries
- Analyzed learning aims and objectives and work with Subject Matter Experts (SMEs) to design solutions
- Applied instructional design theories and practice and develop innovative ideas for e-Learning resources
- Used appropriate writing styles to make content easy to understand for the target audience
- Discussed ideas for images, graphics, and animations with a senior team member before specifying them for development
- Produced well-written audio and video scripts to produce high-quality course assets
- Maintained project documentation and course folders during the project life cycle
- Developed quality ILT and training modules using tools like Story-line, Captivate, Camtasia, etc.

❖ **Worked as a part-time instructional designer at Ace-learning technologies from September 2022 to November 2022**

- Worked along with the Client Team to understand and take forward the solution approach and design to the development and execution phase.
- Worked through the various phases of design and development of content
- Worked on ILTs, WBTs, and other learning interventions using effective instructional strategies.

- Worked on requirement analysis, content analysis, content outline creation, and storyboarding.
- Worked on the business problem, learner profile, and evaluation methodology to implement in a proposed learning solution.
- Reviewed storyboards and developed courseware, based on the proposed design.
- Project coordination and communication with the client as well as the cross-functional teams (Graphic Design and Programming).

❖ **Worked as Assistant Professor at REVA University Bangalore from August 2018 till August 2022.**

Roles and responsibilities:

- Worked with University SPOCs on Content Development projects
- Worked with cross-functional teams to scope requirements and objectives and deliver content materials.
- Worked to ensure there are no language/technical errors or inconsistencies
- Worked as subject matter expert to identify specific learning content development needs
- Analyzed and applied trends and best practices in learning technologies and instructional design
- Developed exercises and activities that enhance the learning process
- Assisted instructional designer with supporting material/media (audio, video, simulations, role-plays, etc..), based on the project requirements
- Delivered high-quality content and create process documents and manuals
- Visualized instructional graphics and work with graphic designers for their implementation.

❖ **Worked as Academic associate instructional designer for T.I.M.E Private Ltd, Hyderabad from June 2015 to April 2018.**

Roles and responsibilities:

- Worked closely with a team of instructional designers in designing and developing engaging and compelling learning content that engages learners and aligns with identified outcomes and timely completion of deliverables
- Worked with SMEs to create and update learning programs
- Worked with GATE department SPOCs on Content Development projects
- Worked with cross-functional teams to scope requirements and objectives and deliver content materials.
- Worked to ensure there are no language/technical errors or inconsistencies
- Worked as subject matter expert to identify specific learning content development needs
- Analyzed and apply trends and best practices in learning technologies and instructional design
- Developed exercises and activities that enhance the learning process
- As instructional designer created supporting material/media (audio, video, simulations, role-plays, etc..), based on the project requirements
- Proactively communicated task and project status to internal and external stakeholders

- Develop storyboards in PowerPoint or authoring tools like Storyline based on source content for various projects.

❖ **Pursuing PhD in construction technology and management at NIT Warangal from July 2020**

❖ **Worked as part-time GATE faculty-Civil Department for GATE STUDY CIRCLE, Hyderabad during 2013-2015 taught 5 subjects for 3 batches and prepared content for materials.**

Educational Profile:

Qualification	Board/University	Year of Passing	Specialization	Percentage
M Tech	National Institute of Technology [NIT], Warangal (gate rank-2763)	2013-2015	Construction Technology and Management	8.35[cgpa]
B Tech	Gokaraju Rangaraju Institute of Engineering and Technology [GRIET],JNTUH.	2009-13	CIVIL ENGINEERING	81.01%
Intermediate	Narayana Junior College, Board of Intermediate Education, Hyderabad.	2006-08	MPC	85.4%
10 th	TVS Lakshmi Matriculation Higher Secondary School, Madurai.	2006		85%

Technical Skills:

❖ Softwares : AutoCAD, Revit architecture,MS-Project,
❖ Packages : MS-Office

Journal publications:

❖ “Collusion of women empowerment in waste management sector published in Thapathi UGC care listed journal- MAY 2020

❖ Static and Dynamic Analysis of Multistoried Structure by Staad Pro-published in International Journal of Advanced Science and Technology-Q3 rated journal and Scopus indexed-MARCH 2020

❖ Influence Of Passive Techniques on Thermal Performance of Building in Moderate Zone- published in International Journal of Innovative Technology and Exploring Engineering (IJITEE)- Scopus indexed journal-JAN 2020

❖ A review on study of defects in buildings and their remedies- published in IRJET-peer reviewed google scholar journal-MARCH 2019

❖ A review effect of size of aggregate on m40 concrete by partial replacement of cement with sugarcane bagasse ash- published in IRJET-peer reviewed google scholar journal-MARCH 2019

❖ “A Review on Sustainable and Cost-Effective Wastewater Treatment Systems for Rural and Peri-Urban Communities up to 10,000 PE-published in IRJET-peer reviewed google scholar journal-JAN 2019

Conferences and workshops attended:

❖ Participated in ICARCE-2019 conducted by REVA University

❖ Presented paper on women empowerment in international women conference held at REVA University-2019

❖ Participated in workshop on Neural networks and deep learning conducted by REVA University-2020

❖ Participated in workshop on Repair and Rehabilitation of structures conducted by sree Vidhya Niketan engineering college-2020

❖ Participated in webinar series conducted by Indian Concrete Institute-2020

❖ Participated in webinar series conducted by MHRD Innovation cell on Entrepreneurship and Innovation-2020

Proposals:

❖ I applied for a VGST proposal in KFIST-L1 in the year 2019 for 20 lakhs on the Repair and Rehabilitation of structures.

Achievements:

❖ Got 1st prize in paper presentation at the technical fest in Osmania university(Hyderabad) during 3rd year B tech.

❖ Got 2nd prize in paper presentation at the technical fest in KLUUniversity(Guntur) during 2nd year B tech.

❖ Got 3rd prize in paper presentation at the technical fest in BITS PILANI-Hyderabad during 3rd year B tech.

❖ My review paper got selected for the 3rd International Conference on Environmental Science and Technology ICEST 2012, Chennai and the International Conference on Technological Advancements in Civil Engineering-ICTACE 2012, Coimbatore.

- ❖ Was selected for the Undergraduate Research & Innovation Program (UGRI-2012) conducted by IIT-Rajasthan for the duration of 2 months as a part of a summer internship.
- ❖ My M.tech project got published at in International conference held at VIT-JEE

Personal Profile:

Name: K.SHANTHI SRI

Fathers Name: Mr. K.V.NARENDRA KUMAR

Date of Birth: May 10th, 1991

Marital Status: Married

Nationality: Indian

Languages are known: Telugu, English, Kannada, Tamil & Hindi.

Permanent Address: Hno-169,10th crossroad, telecom layout,5th block, Ashwath Nagar,hbr layout, Kalyan Nagar Post, Bangalore-560043

Declaration:

I hereby declare that the information furnished above is true to the best of my knowledge.

DATE: 7th July 2023

PLACE: Bangalore
