Phone No.: 7665789742

Objective:

Motivated PHP Developer with a strong foundation in creating innovative web applications. Eager to leverage expertise in PHP and MySQL to deliver efficient, user-friendly solutions. Committed to enhancing user experiences through collaboration and continuous learning, and ready to tackle exciting new challenges in a dynamic team environment.

Projects:

[WebConte.com](#) - A powerful platform featuring 1.5 million Indian schools, the largest baby name repository, and 1M+ Social media hashtags, designed for seamless search and high-performance scalability.

[Abbrify.com](#) - A vast database of 5M+ abbreviations, full forms and acronyms, designed for lightning-fast search and precise information retrieval.

Technical Skills:

Backend - PHP

Frontend - HTML, CSS, JavaScript, jQuery

Database - MySQLi

Other Skills: Responsive Design, Cross-browser Compatibility, Debugging, Optimization

Professional Experience:

PHP Web Developer

TouchStone Foundation | 2024 - 2025

- Spearheaded the development of robust web applications using the PHP, MySQL, and modern front-end technologies.
- Conducted code reviews and mentored junior developers to uphold coding standards and best practices.

PHP Developer

WebConte | 2020 - 2023

- **Developed** and managed multiple web projects using, PHP, MySQL, HTML, CSS, JavaScript, and jQuery.
- **Designed** and optimized large-scale databases, improving data retrieval efficiency and performance.
- **Created** responsive, user-friendly interfaces to enhance user experience and engagement.
- **Provided** ongoing maintenance and support, ensuring website security and functionality.

PHP Developer

IHBA TECHNO SOFT PVT LTD | Hyderabad, India | 2018 - 2020

- Collaborated with a team of developers to deliver high-quality web solutions for various clients.
- Developed core PHP functionalities and managed MySQL databases for multiple projects.
- Assisted in troubleshooting and resolving technical issues, contributing to timely project completion.

Additional Experience

Summer Training in PHP

Ducat, Jaipur | Summer [2016]

- Developed a project similar to Twitter, demonstrating proficiency in PHP development.
- Acquired hands-on experience in building dynamic web applications and database integration.

Soft Skills:

- Problem-Solving
- Communication
- Team Collaboration
- Time Management
- Adaptability
- Attention to Detail
- Critical Thinking

Education:

Graduation:

- **Board/University:** Rajasthan Technical University, Kota
- **College:** Jodhpur Institute of Engineering & Technology
- **Specialization:** Computer Science Engineering

Intermediate:

- **Board:** Rajasthan Board of Secondary Education
- **School:** Shri Bangur GMSS School, Rajasthan
- **Specialization:** MPC

SSC:

- **Board:** Rajasthan Board of Secondary Education
- **School:** GH Secondary School, Chadwas

Professional Development:

- Completed advanced PHP workshops and seminars, focusing on code optimization and PHP.
- Participated in training sessions for responsive web design and cross-browser compatibility.
- Updated skills through continuous learning from PHP.net, SitePoint PHP, CSS-Tricks, and Stack Overflow.

Achievements:

- Secured a government seat for engineering studies, demonstrating academic excellence.
- Developed and launched a successful web application similar to Twitter during summer training.
- Recognized for consistently delivering high-quality, responsive web solutions as a freelance developer.
- Received positive client feedback for integrating complex API functionalities into web projects.

Volunteer Work:

- PHP Development Mentorship
- Coding Workshops Facilitation
- Digital Literacy Advocacy

Hobbies:

- Listening music
- Open Source Contributions
- Share Knowledge and Skills via LinkedIn

Additional Information:

Cultural Affiliation: Proud member of the vibrant Marwadi community, known for its entrepreneurial spirit and commitment to excellence in business.

Research: Researching in Perpetual Motion Machines.
