Content Writer

Wordly / January 2019 - January 2020

While working at Worldly, my role as a content writer took me on a journey through various domains - from the complexities of financial & technical content to more general topics. Every piece I crafted was underpinned by rigorous research & development, ensuring accuracy & depth. Deadlines weren't just guidelines; they were a creed I lived by, consistently delivering projects in the range of 3,000 to 4,000 words on a daily basis. My tenure here reinforced my capability to produce high- volume, quality content across diverse niches.

Content Writer

Freelancing / March 2017 - January 2019

During my tenure as a freelance writer, I catered to a diverse clientele based in the US and UK. This allowed me to immerse myself in a myriad of niches, adapting to unique writing tones and styles tailored for each client. My responsibilities went beyond just writing; I meticulously formatted and edited articles and blogs, ensuring each piece resonated with the target audience and met client specifications. Furthermore, I took pride in taking full ownership of projects, consistently collaborating with clients, and ensuring timely deliveries. This hands-on experience has sharpened my versatility as a writer and reinforced my ability to handle multiple projects simultaneously with precision and dedication.
