Career Objective:

A results-driven content marketing professional **with over 8 years of experience in content creation and content marketing**. Currently serving as a **Senior Content Writer for Catalis, a U.S.-based company**(contracted via Programming.com), where I lead the development of web content, blogs, press releases, and social media content.

I aim to leverage my expertise in LinkedIn and social media content strategy, audience engagement, and strategic content planning to contribute to a dynamic team focused on strengthening brand presence, driving meaningful engagement, and delivering measurable business growth. I bring a strong blend of creative storytelling and data-driven execution to content initiatives across B2B and B2C environments.

Professional Attributes:

- **Specialize in LinkedIn-first content** that aligns with audience intent and strengthens brand positioning
- **Experienced in managing cross-functional collaboration** to achieve strategic marketing objectives.
- **Proficient in content optimization for engagement, reach, and business growth**
- **Hands-on experience with a U.S.-based company** (Catalis) has enriched my understanding of global content standards and audience targeting.

INTERESTS

Food Exploration: I have a passion for discovering exceptional food and enjoy spending my weekends exploring new culinary experiences. Monthly, I visit various food destinations on my own, guided by recommendations from food bloggers. Some of my favorites include Giani's Falooda and Moolchand Chaat in Chandni Chowk, Laphing in Majnu ka Tila, and Auntie Momos in Kamlanagar.

Film and Cinema: I have a deep interest in film and cinema. Recently, I've enjoyed watching "Deadpool vs. Wolverine" and "Laila Majnu by Imtiaz Ali."

SKILLS

Computer: Google Sheet, MS WORD, MS OFFICE, and MS POWERPOINT

Language: Language Proficiency: Fluent in English and

- **Wrote product descriptions for Amazon and Flipkart** improving product visibility and conversion rates.
- **Crafted newsletters and blog content** to keep subscribers updated on product launches and promotions.
- **Developed and executed effective social media strategies** to enhance brand engagement and audience growth.
- **Implemented organic SEO writing techniques** to boost website content performance and search engine rankings.

IDS Infotech Ltd. ● Abstractor & Indexer

NOVEMBER 5, 2018 - AUGUST 17, 2020

- **Reviewed and summarized documents**, creating detailed abstracts for various content types, including magazines, blogs, and books.
- **Indexed information accurately** to facilitate easy retrieval and access for clients.
- **Maintained high data accuracy** through rigorous cross-referencing and verification.

PROFESSIONALLY STRONG

- **Team Management:** Oversee daily team updates, conduct monthly KRA meetings, and hold weekly one-on-one discussions to track progress and provide timely feedback. Ensure continuous alignment on tasks and project goals.
- **Develop and Implement Content Marketing Strategies:** Develop and implement targeted strategies to increase content visibility and reach to targeted or potential clients, such as sharing content and informing readers over e-mail or LinkedIn.
- **Create and Manage Content Calendars:** Develop and maintain a detailed content calendar, including monthly, quarterly, and half-yearly schedules to ensure consistent content delivery. Additionally, design and update a social media calendar to keep content relevant and engaging for international markets, effectively reaching global clients.
- **Diverse Content Creation:** Write a variety of content, such as guest posts, release notes, blogs, articles, social media posts, website content, press releases, and email marketing materials.
- **Analyze Content Performance:** Use analytics to measure content effectiveness, making data-driven adjustments to improve engagement and reach.
