Professional Profile

I have over 6 years of experience in creating and maintaining complex technical documents for software products and interfaces across various industries. I am well-versed in MadCap Flare, enabling me to integrate technical visuals into documents. I am adept at working with developers, junior technical writers, and quality assurance teams.

Key achievement: Collaborated with a team of junior technical writers and developers to create and update 20+ technical documents for two big clients.

Professional Experience

Verizon - Hyderabad, India

Instructional Designer Consultant (Technical Writing), Oct 2025 - Present

- Managed 100+ content update requests annually for learning platforms and knowledge bases.
- Implemented content changes from stakeholders, SMEs, and business teams, reducing content discrepancies by 20%.
- Ensured all learning content aligns with writing guidelines to improve user engagement and comprehension.
- Applied editing, proofreading, and content management expertise to maintain high-quality training materials and support enterprise learning initiatives.

Blue Yonder, Hyderabad, India

Technical Writer, Feb 2024 - Sept 2025

- Increased 7% efficiency in creating technical documents like manuals and guides, with 35% more collaboration with internal teams.
- Improved the organization of the content in the technical documents, like user manuals, release notes and help documents, by 10% by converting the documents into a systematic HTML file to make it understandable for the clients.
- Documented 2 customer-facing technical documents for one product to ensure the user-friendliness and accuracy.
- Collaborated with 8+ subject matter experts to develop knowledge and understanding of product operations.

Vipany Management Consulting, Hyderabad, India

Assistant Content Marketing Manager, Sept 2023- Jan 2024

- Collaborated with 4+ clients to create long-form documents and white paper content.
- Increased social media presence of brands by 15% and received positive feedback for content and graphics.
- Mentored 7+ newly hired writers in the research and writing process.

Way2News, Hyderabad, India

Content Writer, Dec 2022 - Aug 2023

- Launched email campaigns and succeeded with an open rate of 7% in targeting international clients.
- Collaborated with engineers to develop customer-facing documents and ensure timely submission on the platform.
